**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and value competitive choice and oppose the USTelecom petition. Independent internet access is essential. I choose an independent competitive provider because many large corporate providers have poor service are unreliable and terrible customer interface. I support broadband Competition as valuable to me personally and society as a whole. Thank you for your consideration on this important issue.
